SUMMARY

I am currently a senior at the University of Missouri majoring in Convergence Journalism with an emphasis in Multi-Media Production. I have worked in several newsrooms on campus gaining experience. I produced text, audio, photo and video stories for my classes and newsrooms. I am interested in a career in that allows me to use the skills I've learned in the classroom and newsrooms that gives me a creative outlet.

SKILLS

- Linear editing experience using Adobe Premier
- Proficient in photo editing on Photoshop
- Proficient in audio editing on Adobe Audition

EXPERIENCE

05/2017 to 12/2018

Cashier

Univeristy Of Missouri — Columbia, MO

I worked as a cashier and ticket salesman at the University of Missouri Box office where I would use three computer systems to search and pull tickets. I would also work venues at the Missouri Theater. I spoke with customers in person and on the phone daily.

07/2017 to 08/2017

Nanny

Sharmistha Bhalla — Columbia, MO

I was a nanny for three children under ten, one with special needs. I would drive them to practices and take them to the pool. I would also help them get ready for bed and make food when necessary.

05/2019 to 08/2019

Intern

WGN News — Chicago, IL

I interned at WGN News in Chicago for the summer. I worked closely with the segment producer. I would file video clips into the computer for the producers and editors, cut video for the website and write stories for the segments. I would also help direct the guests during their segments. While I was there I also had the opportunity to shadow writers and write a few news stories, go into the field with a reporter and observe the control room.
